Dear Sir:

The undersigned is attorney of record for the assignee of the above-identified application. Amano Enzyme Inc. certifies that it is the owner of 100% interest in the above identified patent application, as evidenced by the attached assignment, said assignment having been recorded in the U.S. Patent and Trademark Office on March 21, 2001 at Reel 011561, Frame(s) 0007.

The owner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior U.S. Patent No. 6,251,651. The owner hereby agrees that any patent that is granted on the above-identified application shall be enforceable only for and during such period that it and the above listed patent are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assignees.

Application No.: 10/815,774
